Business Reporting & Dashboards	Data Analysis	Competitor & Assortment Analysis

PROFESSIONAL EXPERIENCE

Dmoksha Homes | Key Account Manager | Aug 2025 – Present

- Own end-to-end growth strategy for Amazon Seller Central accounts across the US, UK, Canada and Mexico, driving marketplace expansion and seller success.
- Grew marketplace revenue by 20%+ through assortment planning, catalog optimization, inventory coordination and data-driven business planning.
- Improved FBA adoption by partnering with operations and supply chain teams, supporting faster fulfillment, stronger Buy Box performance and customer experience.
- Led catalog quality initiatives, resolving listing issues and improving content accuracy to strengthen discoverability and conversion.
- Managed and mentored a team of 2 marketplace executives, providing coaching, performance guidance and operational support.
- Coordinated content, operations, inventory and marketing teams to execute business priorities, streamline launches and improve marketplace performance.
- Developed standardized SOPs and automated business reporting using Excel, Google Sheets and AI-enabled tools, improving process consistency and reducing manual reporting effort.
- Monitored sales, catalog health, inventory availability and operational KPIs to identify growth opportunities and recommend strategic actions.

Infinite Commerce | Amazon Advertising Specialist | Oct 2021 – Jul 2025

- Managed Amazon growth portfolios for 8+ brands across US, UK and EU marketplaces, aligning advertising strategy with brand, product and commercial objectives.
- Owned \$5K–\$85K in monthly advertising budgets, optimizing investment allocation to improve ROAS, control ACOS and drive profitable marketplace growth.
- Analyzed Amazon Search Query Performance, Business Reports and Top Search Term reports to identify customer demand, keyword opportunities, conversion gaps and growth levers.
- Partnered with creative, product and sales teams to align marketplace advertising with catalog updates, promotional calendars and broader brand objectives.
- Translated campaign and marketplace data into actionable business recommendations, presenting performance insights and strategic opportunities to stakeholders.

Nomad Food Project | Amazon Ads Specialist (Part-Time) | Sep 2024 – Dec 2024

- Planned and optimized Amazon India campaigns using keyword research and marketplace-specific advertising strategy.
- Supported advertising strategy for a Shark Tank India-featured brand and optimized campaigns to achieve target ROAS and ACOS.
